Featured Show: *The Pastoral and the Celestial*, group show with Richard "Ricky" Armendariz, Cecilia Biagini, Graciela Iturbide, Nicolás Leiva, and Cecilia Paredes March 20-May 18

Ruiz-Healy Art presents *The Pastoral and the Celestial*, a group exhibition comprising painting, photography, and ceramics. The artists characterize their work as cartography and gather inspiration from sublime, imagined worlds, prompting viewers to do the same. The cosmos, layered colors, landscape, pattern, texture, camouflage, and more give form to ways of being. While each artist brings their individual perspectives to the show, they share a topical interest in environmental stewardship. 🇹🇽
